

HOW TO INVEST

GLOBAL BEST IDEAS EQUITY FUND

INVESTMENT OBJECTIVE

To achieve long-term growth in capital and income in a focused portfolio of high quality listed businesses from around the world.

INVESTMENT PHILOSOPHY

To invest in best of breed businesses for their quality, strategic competitive edge and value.

INVESTMENT APPROACH

We invest for sustainable compounding growth of a business and its capital value. The orientation is to hold such a compounder in a focused, high-conviction portfolio of a maximum of 30 businesses. Particular emphasis is put on top-line (organic) growth, management quality (track record and energy), productivity (generating high returns) and sustainable free cash flow generation. It is a totally bottom-up approach with no benchmark orientation, driven by fundamental research – we think like a business person buying another business.

AVAILABILITY

The Stonehage Fleming Global Best Ideas Equity Fund (“GBI”) is available for distribution in the UK, Jersey, Switzerland and South Africa. A Feeder Fund is also available, specifically catering to South African investors who wish to invest without a need for foreign currency.

WAYS TO INVEST IN THE FUND

There are three ways to invest in the GBI Fund:

- 1. Directly:** Investing directly in GBI requires completing an Application Form, and means that the units are held directly, rather than via a custodian account. This process is managed by the GBI team in London. To invest, please email: GBI@stonehagefleming.com. If investing in the Feeder Fund, please email: GBIFeederFund@stonehagefleming.com.
- 2. Broker / Custodian:** Investing via a broker / custodian account means the administrative burden is passed on to the service provider. However, going this route may incur additional costs – both one-off dealing charges, and annual custody fees. Where the custodian account is managed or held through Stonehage Fleming, a Relationship Manager can assist with the placing of the investment or, should you not have a broker account, can assist with the opening of an account with Stonehage Fleming Dealing & Treasury – our in-house custodian and brokering offering. To invest, please contact your Relationship Manager or Broker directly.
- 3. Investment Platform:** GBI is available through a number of platforms – please refer to the list below:

GBI Fund – UK/Jersey	AJ Bell Ascentric Hargreaves Lansdown	Raymond James Transact 7IM
GBI Fund – South Africa	Allan Gray (restricted) Glacier/Sanlam	Momentum Old Mutual
GBI Feeder Fund (South Africa only)	Allan Gray (restricted) Glacier	Ninety One Momentum

IMPORTANT INFORMATION

All investments risk the loss of capital. No guarantee or representation is made that the funds will achieve their investment objective. The value of investments may go down as well as up and, for products designed to return income, the distributions can also go down or up and you may not receive back the full value of your initial investment. GLOBAL BEST IDEAS FEEDER FUND

The GBI Feeder Fund is an approved Collective Investment Scheme in South Africa. The Management Company is Sanlam Collective Investments (RF) Pty Ltd, a registered and approved Manager in Collective Investment Schemes in Securities. The management of investments is outsourced to Stonehage Fleming Investment Management (South Africa) (Pty) Ltd.

The Portfolio Manager is Gerrit Smit. Collective investment schemes are generally medium- to long-term investments. Collective investments are traded at ruling prices and can engage in borrowing and scrip lending. Collective investments are calculated on a net asset value basis, which is the total market value of all assets in the portfolio including any income accruals and less any deductible expenses such as audit fees, brokerage and service fees. The fund invests in foreign countries and therefore it may have risks regarding liquidity, the repatriation of funds, political and macroeconomic situations, foreign exchange, tax, settlement, and the availability of market information.
