

HOW TO INVEST

GLOBAL BEST IDEAS EQUITY FUND

BEFORE YOU INVEST IN THE FUND

You should read the Key Investor Information Document (KIID) and the Prospectus which contain detailed information. The latest version of the Prospectus and the Key Investor Information documents are available in English and can be obtained via the Stonehage Fleming website: <https://www.stonehagefleming.com/investments/funds>

WAYS TO INVEST IN THE FUND

There are three ways to invest in the GBI Fund:

- 1. Directly:** Investing directly in GBI requires completing an Application Form, and means that the units are held directly, rather than via a custodian account. This process is managed by the GBI team in London. To invest, please email: GBI@stonehagefleming.com. If investing in the Feeder Fund, please email: GBIFeederFund@stonehagefleming.com.
- 2. Broker / Custodian:** Investing via a broker / custodian account means the administrative burden is passed on to the service provider. However, going this route may incur additional costs – both one-off dealing charges, and annual custody fees. Where the custodian account is managed or held through Stonehage Fleming, a Relationship Manager can assist with the placing of the investment or, should you not have a broker account, can assist with the opening of an account with Stonehage Fleming Dealing & Treasury Services (Jersey) – our in-house custody and brokering service provider. To invest, please contact your Relationship Manager or Broker directly.
- 3. Investment Platform:** GBI is available through a number of platforms – please refer to the list below:

GBI Fund – UK / Jersey	7IM Abrdn Aegon AJ Bell Allfunds Aviva Barclays	BNY Mellon Canada Life Intl Charles Stanley Embark Fidelity Financial Discounts Halifax	Hargreaves Lansdown Interactive Investor James Brearley M&G Wealth Morningstar Novia Global Novia UK	Nucleus Parmenion Pershing Quilter Raymond James Transact Willis Owen

RISK DISCLOSURES

All investments risk the loss of capital. No guarantee or representation is made that the funds will achieve their investment objective. The value of investments may go down as well as up and, for products designed to return income, the distributions can also go down or up and you may not receive back the full value of your initial investment. The material contained in this document is not to be regarded as an offer to buy or sell or the solicitation of any offer to buy or sell securities in any jurisdiction where such an offer or solicitation is against the law, or to anyone to whom it is unlawful to make such an offer or solicitation, or if the person making the offer or solicitation is not qualified to do so.

GLOBAL BEST IDEAS FEEDER FUND

The Stonehage Fleming Prescient Collective Investments GBI Equity Feeder Fund is an approved Collective Investment Scheme in South Africa. The Management Company is Prescient Management Company (RF) Pty Ltd, a registered and approved Manager in Collective Investment Schemes in Securities. The management of investments is outsourced to Stonehage Fleming Investment Management (South Africa) (Pty) Ltd.

The Portfolio Manager is Gerrit Smit. Collective investment schemes are generally medium- to long-term investments. Collective investments are traded at ruling prices and can engage in borrowing and scrip lending. Collective investments are calculated on a net asset value basis, which is the total market value of all assets in the portfolio including any income accruals and less any deductible expenses such as audit fees, brokerage and service fees. The fund invests in foreign countries and therefore it may have risks regarding liquidity, the repatriation of funds, political and macroeconomic situations, foreign exchange, tax, settlement, and the availability of market information.
