1. GENERAL INFORMATION

The Company reserves the right to reject any application in whole or in part, without giving any reason for such rejection in which event any application moneys will be returned without interest, expenses or compensation by transfer to the Applicant's designated bank account at the risk of the Applicant.

If the amount paid does not correspond to a specific number of Shares, the Company will issue such number of Shares, calculated to two decimal places, as may be subscribed for with the application moneys and will not return any remainder to the Applicant.

1.1 Contract notes

It is anticipated that contract notes will normally be sent to Applicants *as soon as possible, and no later than the first business day following execution of the NAV*. Please ensure that appropriate email contact details are provided.

Important

It is the responsibility of the Applicant to check the accuracy of information provided to you in any confirmation of ownership, any valuation statements and other reports issued by, or on behalf of, the Company. You should contact the Administrator immediately in the event that you believe the information to be incorrect. It will be assumed that you have received Contract Notes and that the details contained therein are correct unless you contact the Administrator within 24 hours of the date of issue. The Company's liability and ability to change contract notes will be restricted after this time: however, the Company reserves the right to correct errors at any time and will endeavour to ensure errors are corrected.

1.2 Subscriptions

Where permitted by the Company, subsequent subscription applications may be submitted by electronic means, for example, by way of an electronic messaging network for facilitating the exchange of electronic trading communications between financial organisations or other similar secure network, each a "Message Network".

Initial subscription applications submitted by email will be accepted. Payment in respect of subscriptions must be received in cleared funds by the Administrator no later than the relevant payment deadline as per the prospectus.

1.3 Redemptions

Redemption requests may be submitted by way of a signed form sent to the Company at the address noted on the cover page, fax to the Company at +353 1 5539440, via email to StonehageTAInstructions@ntrs.com, written communication or by electronic means, for example by way of a Message Network, prior to the Dealing Deadline for any Dealing Day as set out in the Prospectus and/or relevant Supplement, provided that no redemption payment will be made from an investor holding until cleared funds have been received in respect of the original subscription for Shares, the subscription application form and all documentation required by or on behalf of the Company (including any documents in connection with anti-money laundering procedures) has been received from the investor by the Administrator on behalf of the Company and the anti-money laundering procedures have been completed. Failure to comply with the above will result in redemption proceeds not being paid.

Shareholders and prospective investors should note that all or part of the fees and expenses of the Company may be charged to the capital of the Company. Thus, on redemptions of holdings shareholders may not receive back the full amount invested.

1.4 Distributions

The Company may pay distributions to Shareholders out of the capital assets of the relevant Fund (if provided for in the Prospectus and/or the relevant Supplement). The effect of any such payment out of capital is that capital will be eroded to allow dividends to be paid, thereby reducing the potential for future capital growth. This cycle may continue until all capital is depleted.

1.5 Queries

All queries regarding the completion of the Application Form should be addressed to the Company c/o the Administrator and specifying the Company and the Fund to which the query relates. The Administrator can be contacted by phone at +353 1 434 5074 or email at Stonehage_TA@ntrs.com.

Terms defined in the Prospectus and/or the relevant Supplement have the same meaning in this Application Form.

7. INVESTMENT SETTLEMENT DETAILS

Listed below are the bank details to which the Applicant's money should be settled in full by wire transfer. The Applicant's bank must be instructed at the time of application to forward the appropriate remittance by the fastest available means to reach the relevant bank account listed below (based on the currency of the investment) for value not later than 3 Business Days following the relevant Dealing Day on which the application is to be effective. Payment, net of charges, should be sent to the details below. Please note that, where appropriate, both the Intermediary Bank details and the Beneficiary bank details must be provided when instructing the transfer. In addition, for non-USD payments where both the Intermediary and Beneficiary account details are required, please note that most personal online banking platforms will not facilitate this. The Fund has two GBP-denominated bank accounts – one in the United Kingdom and the other in the United States. If you are resident and domiciled in the UK, the UK bank account is likely to be the account to which you should instruct the bank to send the funds to. If you are resident in the UK but not domiciled or deemed domiciled in the UK, and are concerned that (however remote that risk might be as a matter of UK tax law) transferring funds to the UK might constitute a taxable remittance, then you should instruct your bank to send the funds to the United States bank account. Should you have any problems entering these details, please contact your bank.

Please note that none of the above instructions should be considered to be tax advice. Please consult with your own tax professional if you are in any doubt as to which bank account details should be used. The Company, the Directors, the Distributor, the Manager and the Administrator will not be responsible for any loss or damage that could result from the remittance of monies as part of the subscription process.

7.1.1 Investor Tax Residency

Please tick the relevant box

- A. ☐ NON-U.S. TAXPAYER
- B. ☐ U.S. TAXPAYER*
- C. ☐ ONE OR MORE JOINT APPLICANTS IS A U.S. TAXPAYER
- D. ☐ NON-U.S. TAXPAYER HOLDING SHARES ON BEHALF OF A U.S. TAXPAYER

If B, C or D has been ticked then each U.S. taxpayer must complete and sign IRS Form W-9 to certify their tax identification number. The form can be downloaded from www.irs.com. Failure to submit a completed IRS Form W-9 (where applicable) will result in a delay in the settling of redemption/dividend proceeds (no interest will accrue).

*“U.S. Taxpayer” is defined to include a U.S. citizen or resident alien of the United States (as defined for United States federal income tax purposes); any entity treated as a partnership or corporation for U.S. tax purposes that is created or organised in, or under the laws of, the United States or any state thereof (including the District of Colombia); any other partnership that is treated as a U.S. Taxpayer under U.S. Treasury Department regulations; any estate, the income of which is subject to U.S. income taxation regardless of source; and any trust over whose administration a court within the United States has primary supervision and all substantial decisions of which are under the control of one or more U.S. fiduciaries. Persons who have lost their U.S. citizenship and who live outside the United States may nonetheless, in some circumstances, be treated as U.S. Taxpayers. An investor may be a “U.S. Taxpayer” but not a “U.S. Person”. For example, an individual who is a U.S. citizen residing outside of the United States is not a “U.S. Person” but is a “U.S. Taxpayer”.

U.S. Taxpayers will be required to furnish the Administrator with a properly executed IRS Form W-9. Amounts paid to Unitholders who are U.S. Taxpayers as a distribution from the Fund, or as gross proceeds from a redemption of Shares, will generally be reported to Unitholders who are U.S. Taxpayers and the IRS on an IRS Form 1099 (except as otherwise noted below). Failure to provide an appropriate and properly executed IRS Form W-9 (for Unitholders who are U.S. Taxpayers) may subject such Unitholders to backup withholding tax. Backup withholding tax is not an additional tax. Any amounts withheld may be credited against such Unitholders’ U.S. federal income tax liability.

Tax exempt entities, corporations, non-U.S. Unitholders and certain other categories of Unitholders generally will not be subject to reporting on IRS Form 1099 or backup withholding, provided that, in the case of tax exempt entities and corporations such Unitholders furnish the Administrator with an appropriate and properly executed IRS Form W-9 certifying as to their tax exempt status.
