

GROUP PHILANTHROPIC GIVING H2 2021

“Do your little bit of good where you are; it’s those little bits of good put together that overwhelm the world.”

Desmond Tutu
(1931 – 2021)

We are dedicated to supporting local communities and charities in the geographies in which we operate. Below are the highlights from the past 6 months.

In Jersey the team continue to fundraise - hosting curry nights, bake-offs, sales tables and raffles.

Funds raised from a curry night were donated to [Brightly Jersey](#). Brightly is a small, independent Jersey charity that provides support to children and young people living in care, care experienced, or who are experiencing adversity.

Their support is intended to create positive experiences and opportunities for children and young people with the aim of helping individuals move towards independence.

Donations from a bake-off (winning cake pictured), soup kitchen fundraiser, crepe and mulled wine sale and a Christmas raffle were all donated to Jersey Hospice Care.

[Jersey Hospice Care](#) provides specialist palliative care for everyone who requires it, irrespective of cause.

They support people with a wide range of conditions including (but not limited to) cancer, motor neurone disease, cardio-vascular diseases, dementia, multiple sclerosis and Parkinson's disease. They also play an important role in supporting people's families, especially in providing bereavement support.

In Philadelphia employees visited several community fridges located throughout the city. The refrigerators are volunteer run operations that provide free food to those in need, while also lowering food waste. Even in the world's greatest food-producing nation, children and adults face hunger in every county across America. [Read more.](#)
