

CORPORATE & FUND SERVICES

STONEHAGE
FLEMING

NOW AND FOR FUTURE GENERATIONS

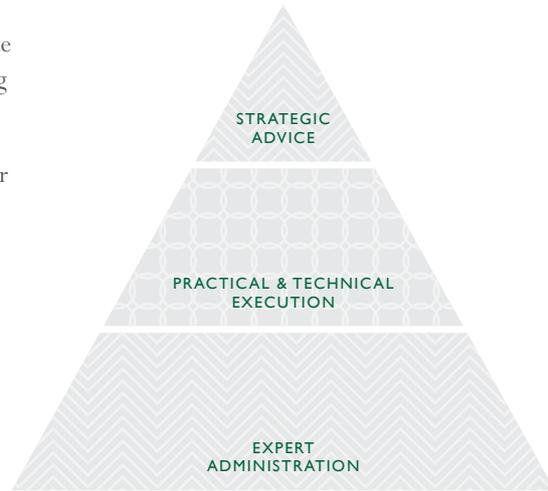

GUIDING YOU THROUGH A COMPLEX REGULATORY LANDSCAPE

The opportunities for efficiently structuring the assets and cash flows of international businesses and investors are significant. Our clients face an extensive choice of domicile and formation options to best meet their needs.

These options range from funds and complex structured products to vehicles catering for more conventional corporate activity, including investment and property holding, financing and employee benefit schemes.

Our role is to ensure our clients meet their objectives for whatever type of financial transaction or asset protection is required.

Within our team we have a wide range of advisory, technical and administrative capabilities that can help navigate the most complex of circumstances. We are there to guide clients at every stage of the process – from designing innovative, customised corporate or fund structures to sourcing experienced teams capable of managing every aspect of their day-to-day operations.

OUR APPROACH

Relationships are at the heart of everything we do and we are privileged to have supported a number of clients for decades. Our internal culture of collaboration and teamwork across practice groups and jurisdictions ensures an integrated service seamlessly executed to our clients.

Our corporate and fund services teams comprise multi-jurisdictional lawyers, chartered accountants, corporate secretaries and administrators.

WHY STONEHAGE FLEMING?

INDEPENDENCE

We are an independent service provider, majority owned by management and staff, utilising a family office partnership model in the Corporate Services and Funds space.

WIDE SERVICE OFFERING

We have a wide and customisable service offering with a best practice approach attractive to blue-chip investors.

EXTENSIVE EXPERIENCE

We have decades of experience working with start-up and established multi-national businesses, helping them to develop their business and realise their vision.

OUR SERVICES

Our extensive commercial experience equips us to handle an exceptionally wide range of assets including private equity, real estate, debt and infrastructure.

Wherever you are based and wherever you require services, we will provide an integrated solution that best suits your needs. We are able to support our clients and their advisers through the legal, regulatory, risk and operational complexities of their intended structure and have experts located in Jersey, Mauritius, Luxembourg, and Malta.

Our services are split into three core areas:
